

CULINARY
AWARDS
LOS CABOS

**A recognition for those who make gastronomy
one of the major attractions in Los Cabos**

On April 25, 2018, Los Cabos awarded for the first time the best of its cuisine with a ceremony of recognition and a gala cocktail for attendees.

This is a project that will continue to strengthen the image of Los Cabos as a culinary paradise that is on par, or superior to, other international travel destinations.

Culinary Awards 2018, and its subsequent editions, will be an incentive to improve the entire restaurant community.
